Essentials of College Physics Textbook: Chapter 4 (The Laws of Motion)

Hewitt Drew It Screencasts (recommended): MECHANICS (Newton's First, Second, and Third Laws sections). To access, go to physz.org > "classic"/additional links > "All Things PhyzVideo" > "Hewitt Drew It Physics Screencasts"

Make up Unit Test AP1.02 as **soon as possible**; no later than F 10/12. AP Physics make-up tests must be done after school only. Check the availability schedule to see which days are available. Remember, notecards cannot be used on make-up tests.

Physics PracTests are available at physz.org. They are intended for Physics (PHY) rather than AP Physics 1 (AP1), but are still useful where topics in PHY and AP1 overlap.
